Advantages of **Ruby – Red** service...

- Clerk has the discretion of using iDocket document image viewing capabilities whereby iDocket redacts documents selected for viewing after charging copy fees for the Clerk. Copy fees collected are paid quarterly.
- Increases security and peace of mind providing constituents better service and confidentiality.
- You're applying cutting edge technology to protect social security numbers.
- Subscribers also have access to many **Ruby** standard features such as individual case tracking and e-mail alerts making it a powerful tool and resource to them.
- Less customer traffic and fewer phone calls lead to a more efficient and time-saving clerk's office.
- **No cost to the county.**
- **Generous revenue sharing places money back into the county.**

Clerk's looking for an alternative to an existing case management system or desiring to change or upgrade need to look at our Quartz case management system.

Ruby, Ruby - Red and Quartz make an unbeatable team.
